The Spaghetti Shindig, a community music and dinner event to benefit Green Valley School PTO, will be held on Friday night, March 15th from 5 until 8pm. The Shindig will be held at the Boone United Methodist Church Family Life Center. Enjoy a delicious spaghetti dinner and great bluegrass music by the George Wilson Band plus a guest appearance from the High Country Dance Studio cloggers.

The admission cost is $5.00 per person to enjoy the music and clogging and the spaghetti dinner is an additional $5.00 per person. Children 3 and younger eat free. Dinner includes spaghetti, salad, garlic bread, dessert and a drink. You can come and enjoy the music without buying a dinner ticket, but why wouldn't you? The spaghetti will be delicious and specially prepared following a famous Green Valley recipe. "It's so nice to know that everyone is pitching in to make this event successful. The George Wilson Band, cloggers from HCDS and Green Valley's best cooks– they're all working together to support GVS PTO", said Tracy Tilley, a PTO member who has two children at GVS. "I see the work the PTO does to benefit teachers and students and I'm proud to be a part of such a worthwhile organization."

Kristie Beach, president of the PTO, hopes the entire community will come out to support the event because, "all of the money we raise through this event will go toward well-deserving programs that directly benefit the children of Green Valley School. So come out and bring the family and enjoy a night of music and good food!!"
