FOR SALE:

We have a great upright freezer for sale. We just don't use it enough to justify having it. We bought it brand new from Best Buy about 5-6 years ago for over $500. We are asking $280.

The freezer is a Woods Frost Free brand and it's full size. I'm not sure about the cubic sq ft but we measured the dimensions... 66" H x 33" W x 28" D. Hopefully, that will give you some idea of the size of it?? It has a lock on the door for safety as well and we do have the key for it.

It is very clean and works very well.

Serious inquiries only, please. Email edenclose212@yahoo.com with any questions.
