Avery Pregnancy and Resource Center in Newland provides prenatal and parenting classes, emotional support, and material resources to women who are pregnant and/or have children ages birth to three years of age.

We are a non-profit agency, and our services are free of charge and available to women in the High Country. We also make referrals to other agencies within our community based on our clients' needs.

It is a blessing to serve the women in our area- to be with them throughout their pregnancies and to meet their precious newborns and watch them grow and develop. What a joy it is to witness their sweet smiles, watch them learn to crawl, walk, and talk, and see their own unique personalities develop and blossom!

Please visit our beautiful center, and take a tour! We are open Tuesdays and Thursdays from 1 to 5 p.m.
