Saturday, 05 April 2014 14:20

Caldwell Community College and Technical Institute will begin registering new students for the Summer 2014 semester on April 10 on both the Caldwell and Watauga Campuses. Final registration for summer will be held on Tuesday, May 13. Summer classes begin on Thursday, May 15.

Registration for Fall 2014 Semester will be held every Tuesday and Thursday June 3 through July 31. Final registration for Fall 2014 is Thursday, Aug. 14. Fall classes begin on Monday, August 18.

A variety of financial aid options are available for students who qualify.

In addition to classes for adult students, CCC&TI also offers opportunities for Caldwell and Watauga county high school students to earn free college credit through the Career and College Promise program. CCC&TI offers pathways in business, engineering, math, social sciences, health sciences and more.
