Local Rotary Clubs have raised \$25,000 to send food to the people of Haiti in the wake of the devastating earthquake earlier this year. They are looking for 130 volunteers per shift, so sign up now! This event is family friendly and will welcome volunteers from 3-100 years old! We've been told the project is fun and time flies. Shifts are: 8:30-11am, 11-1:30pm, and 1:30-4pm (each shift begins with a brief training sessions) and the event will take place in the Holmes Convocation Center. Contact Mike Keibelbeck (**828-295-7615**) to sign up...walk ins are also welcome, come help Haiti!

Note: If you are a fraternity, sorority, church or civic organization, collect your volunteer names and get the list to Mike. We are looking at about 130 volunteers for shift one, 140 volunteers for shift two, and 130 volunteers for shift three.
