

A Boone apartment complex was damaged in a fire discovered just before 6 last evening, a fire quickly put out by Boone Fire. The call was to West End Condos at 1552 West King Street, first arriving emergency units reporting light smoke and a few flames coming from the very end of the building nearest to King Street. Arriving firemen quickly evacuated the residents, then had to cut into an exterior wall to access the fire, and quickly extinguish it. The cause and damage estimates to come from Boone Fire.
