Revised Dress Standards were adopted by the Watauga County School Board and go into effect August 9. Kids may want to check out the new dress code before shopping for back to school clothes. All shirts, tops and blouses must be complete closed on the front, back and sides, and sleeves must cover the shoulders, the new regulations read. Pant waistbands must be worn above the hips- and midriffs must be covered at all times. The complete policy is available online at the Watauga County Schools home page ( <a href="http://www.watauga.k12.nc.us">http://www.watauga.k12.nc.us</a>).
