The world premiere of *Miracle on the Mountain* is tomorrow night at the Crossnore School's new amphitheatre- and tickets are going fast.

The play, an adaptation of Mary Martin Sloop's memoir of the same name, is a story of Sloop's personal mission to improve the quality of life, especially for children, in Crossnore from the early 1920s through the 1960s. Call (828)733-0810, extension 12 for ticket information.
