Three people were arrested Saturday for alleged drug violations in Avery County.

According to a statement from Sheriff Kevin Frye's office, 27-year-old Jeremy Burleson, 20-year-old Asa Johnson and 20-year-old Roxanna Franklin face a string of marijuana charges from an investigation that involved Avery County's narcotics K-9s. According to Frye, the arrests are the result of the swift action of the Avery Sheriff/Municipal Drug Task Force.
