A North Carolina resident may be \$600,000 richer- if he or she brings the winning Powerball ticket forward.

Lottery officials say the ticket was bought at Wilco No. 1805 in on Cotton Grove Road in Lexington- and the winner has two weeks to claim the prize. The winning numbers, 13-20-41-42-53, were drawn on February 28, and the claim deadline is Monday, August 27. Winners have 180 days after a drawing to claim Powerball prizes.
