

Banner Elk Fire Chief Resigns

Written by

Thursday, 23 August 2007 20:00

As of yesterday, Banner Elk Volunteer Fire Department is without a fire chief- Harry Klinger has resigned.

Harry Klinger was elected Chief by the Board of Directors in November of 2006 and has been fighting fires locally since 2002. Klinger did not comment on the "circumstances" outside his control, but does plan on continuing fire service in Avery County, he is just not of the details.
