Mountain View Market on N.C. 127 in Catawba County sold a Powerball ticket worth \$200,000 on Saturday- and the prize has yet to be claimed.

Two unknown winners in the \$10,000 category are also local. To claim the prize, winners must go the North Carolina Education Lottery headquarters in Raleigh and bring the ticket, a photo ID and proof of Social Security Number. Prizes less than \$99,999 can be mailed in with a completed claim form.
