

No water bills in West Jefferson

Written by

Monday, 03 September 2007 20:00

Due to computer failure, the town of West Jefferson has not sent out water bills for the month of August.

September bills could reflect two months of usage if the problem is not corrected soon. Town officials are working fervently to correct the problem. Anyone with questions is encouraged to call the town at 336-246-3551.
