---

Tomorrow night marks an important event for local environmentalists, according to Dottie Farfone.

It's the Ducks Unlimited Banquet.

Doors open at 6 p.m. at Foscoe's Grandfather Community Center, and auctions and bluegrass music are only part of the festivities. The meal is catered by Outback, but it will be more than a good time. Sponsored by the High Country Ducks Unlimited, the event's proceeds go to purchasing and protecting local wetlands.

For ticket information, call 828-963-6556.
