The Farm Bureau Women's Committee's annual Railroad Grade Run is almost here.

It's a 5K road race and expect a crowd, she says. In the event's early years, it attracted around 25 runners. This year, organizer Janet Moretz expects over a hundred.

In years past, they've topped \$3,000.

Registration begins at 8:15 at Todd General Store on September 22. Runners get a tee shirt and refreshments. Pottery prizes will be given to the top male and female in each group.
