Thursday, a second incident was reported to the Boone Police Department which was similar to an incident reported on July 19th, that incident alleging that Julio Antonio Yanez entered a female's residence on Oak Street and gave her a back rub without her permission. In the incident reported on July 25th, Julio Antonio Yanez was again identified as a suspect, reporting that Yanez allegedly stroked the female victim's arms and back, while in her residence on West King Street, after his proposition for a back rub was declined. Mr. Yanez was taken before a Watauga County Magistrate where he was placed under a \$4,000 secured bond and assigned a court date of September 17th.
