A Watauga woman was injured in a single-car crash last night. The crash occurred on Castle Ford Road around 7:20, the state patrol saying 33-year old Lillian Grubb lost control of her '98 Saturn in a curve, ran off the road and struck several trees. The Red Maple Lane woman was transported to Watauga Medical Center by Watauga Medics while the state patrol investigated, citing Grubb for Exceeding a Safe Speed.
