An Avery woman was hurt in a Watauga crash yesterday mid afternoon on the NC 105 Bypass. The crash occurred near the Greer Lane intersection at about 1:50 when 22-year old Katy Shontae Davis slammed her 2012 Kawasaki motorcycle into the back of a sedan that was turning into the new Appalcart facility there. Trooper Hodges said that Davis, of Rodgers Ridge Road in Newland, suffered a leg injury, cuts and scrapes, and was transported to Watauga Medical Center by Medics, his investigation of the crash yielding counts of Failure to Reduce Speed and Driving While License Suspended for Katy Davis.
