A woman was injured in a two vehicle collision this morning on Blowing Rock Road in front of the old Blockbuster location. The crash involved a woman in a Subaru wagon and a white pickup hauling lawn equipment in the bed and on a trailer. The woman reported several injuries in the 10:30am crash, and was transported by Watauga Medics to Watauga Medical Center while Boone Police and Fire diverted traffic onto Highland Avenue and Faculty Street to get around the blocked lanes.
