As the final closings were announced for the last 300 Blockbuster Video stores, the former Boone appears to be heading to IHOP—just as another breakfast destination is opening in the same block. The IHOP restaurant will be built on Blowing Rock Road, according to Craig Hoffman, from media relations for IHOP. He said there is no set time for the start of construction. The building deed was transferred June 21 to The Ardent Companies, under the name SE BB Boone, LLC, with the Register of Deeds, but no permits have been recorded for the site.
