

Daniel Boone Native Gardens is having a plant sale from 10 a.m. to 1:30 p.m. tomorrow.

Hard-to-find plants like Hellebores (or Lenten rose) will be available, as well as a large variety of other native flora. The Gardens' Altha Vail is enthusiastic about the event. She hopes they'll have a big turn out because they have a lot of great plants for sale.

Free admission to the Gardens will be available during the sale, so bring your whole family. Members of the local Blue Ridge Garden Bulb will be selling plant starts from their own gardens.
