Last weekend off Elledge Mill Road in Wilkes, deputies responded to a fight in progress.

At least one shot had been fired. Upon arrival, deputies saw a man pass off a handgun to another man. One of the handguns had its serial number filed off. Deputies arrested James Jennings of Hays and Devin Alexander. Deputies found a gun cabinet with more firearms. A search of the home and vehicles lead deputies to marijuana and pill containers. Additionally, charges of being a felon in possession of a firearm were filed.
