

The Caldwell County District Attorney's Office still has not decided when, or if, Sawmills murder suspect Jerry Anderson will return to court.

Anderson was has been charged in the 2006 murder of his wife, Emily Anderson. A Superior Court judge declared a mistrial last month after jurors were unable to reach a unanimous verdict. Officials could decide to drop the murder charge altogether. The District Attorney's office is still not commenting, and defense attorneys have yet to hear anything from the prosecution. In the meantime, Anderson is out on bond.
