The Hospitality House annual Turkey Trot was in full swing this morning at the Greenway trail in Boone. There were over 500 participants on hand for the 5K and the fun run. Among the runners I observed a 3 legged dog, a dog in a back pack and a full grown man in a turkey suit.

The turkey suited runner was actually the Hospitality House Director of development Todd Carter. This is the second annual run and the second Thanksgiving that Hospitality House has observed in their new facility. Todd said he was especially thankful for the commercial kitchen that enables them to better serve their clients. The lady ambassadors, Hearts of Hospitality, led by Emily Stalling, provided support services for the run. Hospitality House will feed over 200 people a hot Thanksgiving meal.
