An alert customer and Boone Police helped Blowing Rock officers in the apprehension of a suspect in the theft of goods from Coach at Shoppes on the Parkway. Tuesday, officer Troy Reynolds and Captain Aaron Miller responded to the larceny, with a white male, later identified as Harold Francis Ice Jr. of Vilas, seen taking several wallets from Coach, then fleeing out of the store. The customer was able to notify Tanger employees who were able to watch the suspect leaving the parking lot. With the description of the suspect and the vehicle that the suspect left in, Boone Police were able to stop the vehicle at Earth Fair in Boone, and Harold Frances Ice was arrested and all merchandise was returned.
