Two women were hurt in a wreck Friday morning on East King Street at Forest Hill Drive as two silver sedans collided at the light. The 9:50am wreck occurred as a Toyota attempted to cross all the East King Street lanes heading from New Market Blvd to Forest Hills Drive, striking the Lexus of Mark Bodine of Boone. 78-year old Martha Miller of Lenoir, driver of the Toyota, was injured along with her passenger, Hellen Hicks of Vilas. Boone Fire and Police responded, along with Watauga Medics, transporting the injured to Watauga Medical Center while Boone Police investigated, saying charges were pending.
