Two teens were injured early this morning in a rollover wreck in Wilkesboro. Police say the 2am wreck occurred as 17-year old Stephen Paul Kammerer lost control of his 2000 Pontiac in a curve traveling Woodfield Way, police saying that it rolled several times, coming to rest on its top. Also injured was 13-year old Gabriel Joel Culverhouse of Hawthorn Lane, very near the wreck, but he was apparently not transported to the hospital. Stephen Paul Kammerer was transported to Wilkes Regional Medical Center, then was cited by Wilkesboro Police with Careless & Reckless driving and No Operators License in the wreck that totaled the car.
