Avery and Watauga County fire units were called the scene of house fire in Seven Devils just before dawn this morning. Foscoe units joined those from Seven Devils, Linville, Newland and other Avery departments, first arriving units reporting a lot of smoke from the fire on Buckeye Lane. Just after arrival, firemen reported flames breaking through the walls and roof of the structure, and the fire attack was on. It took several hours to fully extinguish hot spots of the fire, which gutted the interior of the home. The cause and other details are yet to come from fire investigators.
