The Watauga High School production of "Fiddler on the Roof" will hit the stage starting tonight, continuing Friday and Saturday. Performances are at 7 p.m. in the Ross Auditorium at WHS, and tickets are \$10 per person. Advance tickets are available at the high school, and on show nights as long as tickets last. The show is assigned seating and is great entertainment for the entire family. "Fiddler on the Roof" is a musical that is a half century old, telling a story of people who lived a century ago, and yet it feels as fresh as a spring bouquet. Written by Jerry Bock and Sheldon Harnick, with choreography from Jerome Robbins, "Fiddler on the Roof" features some of Broadway's most beloved songs, such as "If I Were a Rich Man," "Sunrise, Sunset" and "Matchmaker."
