

Week of the Young Child at Greenway

Written by Jeff Templeton

Saturday, 20 April 2013 08:23

On Thursday April 18th, children at Greenway Baptist Child Development Center in Boone were surprised with a visit by representatives from the Boone Fire and Police Departments. The firemen and officers came out to visit the children at Greenway Baptist CDC to celebrate the National Week of the Young Child, April 14-20th. The purpose of the week is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs. The children were treated to tours of the fire truck and an up close look at a patrol car. The staff at Greenway Baptist CDC is grateful to the Boone Firemen and the Police Officers for taking time to come and visit our children. The staff at Greenway Baptist CDC works hard to provide a good structured environment for the children to learn and grow. We thank the community for being so supportive of our daycare.
