A Banner Elk woman was injured in an accident around 7 last night at the Tynecastle intersection as her husband turned from NC 105 to NC 184. Trooper Greer said that Marian Bailey was injured as Grady Bailey made the left turn onto Tynecastle Highway, his 2003 Lincoln striking the '82 Ford Truck of Ronnie Benfield of Tennessee. Avery Medics transported Marian Bailey, 68, to Cannon Memorial while trooper Greer cited Grady Bailey, 70, for Failure to Yield in the crash that caused considerable damage to both vehicles.
