Wilson Creek Faithful encourages you to come out to Wilson Creek Saturday for a day of outdoor fun- and don't worry, garbage bags will be provided.

That's right, it's time once again for the Wilson Creek cleanup and coordinator David Benner would encourage creek lovers to come out of the woodwork. Drinks will also be provided. The group will meet at Brown Mountain Beach Road for six miles of cleanup. The cleanup will last from 8:30 a.m. to 12:00.
