

A weedeater was stolen between May 6 and May 16 from Ralph Wilson Road.

That's not all. Between Friday and Saturday, someone stole a weedeater from a property off 421 in Watauga County. No word on whether the weedeater incidents are related. By pure coincidence, another theft involved a weedeater on May 17. A 38 caliber handgun was among items stolen while the resident at Carl Giles Road was weedeating.
