Friday at 4:00, a reception for a unique art show will be held at the Ashe Services for Aging Senior Center, according to coordinator Dawn Goodman.

All art pieces deal with aging, she says. Artwork includes a portrayal of a wilted flower. **This is the first time something like this has happened in Ashe, and Goodman is excited.**

The reception will be held in conjunction with Ashe's first Gallery Crawl of the Season, which starts at 5:00 in West Jefferson.
