A fight that took both Elkin police officers and Wilkes County sheriff's deputies to mediate led to the arrest of a man and a teenager.

31-year-old Joey Glen Cleary was engaged in a fight with a 14-year-old. Police were unable to determine who caused the scuffle, but the juvenile had marks on his head, elbow and chest. Cleary had marks on his elbow and neck, according to reports. Cleary was charged with assault. The minor faces a similar charge in a juvenile petition.
