Camp! Camps! Camps! Whatever his or her interest or age, we have a camp for your child this summer! Wet and Wild Week! Animal Studies! Anatomy Camp! Best Book Week! Math Camp! Unusual Olympics Week! Camp Invention! Russian Camp! Or, are sports your thing? We have camps for baseball, basketball, soccer, field hockey, football, softball, track and field, wrestling, and volleyball! We have camps for students as young as current kindergarten, or as old as current 12th grade. We have camps that are all indoors, or all outside; camps for boys only, girls only, and coed; evening only, daytime only, and even residential camps. Some camps have partial scholarships, so don't be afraid to ask. Check out our schedule and learn more about each camp at www.camps.appstate.edu, or call 828-262-3045 and mention the camps you are interested in.
