PUBLIC NOTICES FOR "CITIZENS' PLAN FOR WATAUGA" COMMUNITY MEETINGS

In 2007, the Watauga County Board of Commissioners authorized the preparation of a comprehensive plan for the County and appointed a seven member Plan Oversight Group to guide in the preparation of the plan, which has been entitled the "CITIZENS' PLAN FOR WATAUGA". In late 2007 and early 2008, the Plan Oversight Group sponsored a series of community meetings to hear public input regarding important community issues and priorities and agreed to convene future meetings to review the progress of this planning process with the public. These follow up meetings are scheduled for the following dates and locations:

- Cove Creek Elementary School November 2, 2009 6:00 PM
- Parkway Elementary School November 3, 2009 6:15 PM
- Watauga County Administration Building November 5, 2009 6:00 PM

Draft copies of the plan may be seen on the County's website (www.wataugacounty.org) or at the offices of the Watauga County Planning & Inspections Department. Comments about the plan may be made on the County's website. Following these meetings, the Plan Oversight Group will review the comments received, revise the draft plan as needed, and present it to the Board of Commissioners for their review and consideration.

We sincerely thank the citizens of Watauga for your input and support of this important planning initiative and we encourage your participation.
