3-4 Years Old
Neutered Male
Domestic Short Hair

This handsome boy was found on 8/24 in Teaberry Hills off of Bamboo Road. He is neutered and his right eye is missing - either an old injury or he was born that way. He is a very friendly cat and would like to go back home! If you know where this cat's person is please call Bob at 828.773.9330.
