---

There are two missing dogs from the NC/TENN Border down 321, possibly in the Flat Springs Area or Pioneer Landing. The first dog is Jelly, who is a white Pyrenees, the second dog is Moses, a tri-colored Beagle. If you have seen either of these dogs please call 828-263-3180 or 828-773-6950. A reward is being offered.
