A 9 year old, female, Dachshund/Maltese mix dog went missing from 109 Gragg Street on December 19. The dog was wearing a red, white, and blue shirt, and a gold coat over that when she went missing. She is not wearing a collar, but has been micro chipped. If you have seen this dog, or may have her, please call 265-4925 or 964-8525. A reward is being offered.
