Tripp is a male, 2 year old dog that has gone missing. He has long hair, with white hair around the collar area, followed by black with a white tip on his tail, and brown around his eyes and lower legs. He was wearing a flea collar, but no tags. Tripp was last seen on Mount Zion Lane in Deep Gap during the Morning of December 23. If you have seen Tripp or may have him please call Melissa at 336-529-0841.
