Would like to give dog to a good home. Ten month old Male mixed, Spitz. White with some light tan spots. Has had all shots through 12/7/2009 and was just neutered. I am an elderly woman and cannot walk the dog or give him the care he needs. He is all puppy and too rambunctious and playful for me to handle. Has only been around adults. Please call 264-8746 anytime until 8:30 pm.
