## **FOUND DOG**

A female full-blooded Blue Heeler was found at Highland Landscaping Supplies on Highway 321 in Boone this morning (06/29/2009). She appears to be an older dog. She is wearing a collar but you must be able to identify it in order to reclaim her. She is a sweet girl. If you are missing this lovely girl please call Shawna @ (days)264-4210 or (evenings) 264-7578.
