## **MICROCHIP CLINIC REMINDER**

**SATURDAY, JULY 24, 2010**

**11:30AM-12 NOON**

Animal Medical Center of Boone, 1582 Old 421 South. The \$25 microchip fee benefits the Watauga Humane Society. Please bring proof of current rabies vaccination.

Microchipping is the process of embedding a tiny identification microchip under a pet's skin, which can be scanned and read at shelter facilities to identify the pet's owner. Saturday microchip clinics are held bi-monthly at the Animal Medical Center of Boone, 1582 Old 421 South, from 11:30 am until Noon.

\*\*\*Upcoming clinic dates are as follows: July 24, September 11 and November 20.
