ASU Provost and Executive Vice Chancellor Lorin Baumhover issued what he is calling his final update on the condition of Chancellor Peacock, who suffered a cardiac incident this past Saturday. Baumhover said "He is feeling much better, continues to rest, and has received positive and encouraging reports from his doctors. The Chancellor and his family appreciate the outpouring of concern during his time of illness, and ask that you continue to respect their privacy during his time of recuperation. Cards and well wishes may be sent to the Chancellor through his office at ASU Box 32002, Boone NC 28608."
