High Country Radio will be broadcasting live at the 22nd annual "Boone Business Expo" from 10 to 5 Thursday, April 21st. Businesses from across the High Country will be set up in the Boone Mall courts, staffed all day to showcase what they offer.

Each business will get it's moment of fame with a live interview on one of our stations. Come by Boone Mall and take in the event, and when you're away from the mall, tune in to your favorite High Country Radio station for the live broadcast. For information, call the Boone Chamber at 828-264-2225.
