“Grave!” The word that comes to mind – and the word that Daylight Donuts addresses perfectly in advertising themselves online... Hey, Boone! Guess what? Take your donut craving straight to King Street – ANYTIME it strikes! We now have a Donut Shop!!! Open 24 hours a day, seven days a week conveniently located on King Street right next door to Capone’s Pizza. 24 Hours a day means there’s never a wrong time to feed your craving! They serve specialty donuts, cake and yeast, delectable cinnamon rolls, specialty coffees and offer Wi-Fi. The spacious welcoming atmosphere makes for a comfortable hang out for you and your friends or when you need to just find some solo time. Vicki and Cole Reed welcome you!

Hot, delicious donuts created and pastries baked right before your very eyes beckon every sweet tooth and hungry tummy in town...

Wi-Fi means that you can satisfy your cravings and be productive – or just surf. The Reeds friendly staff is multi-talented; they bake donuts and happily serve you a hot cup of java, specialty coffee drinks, vitamin water and a variety of cold and hot beverages. Yum! Yum! While OUR Daylight Donuts is new to Boone, the company has been alive and thriving for years. In 1954, Tommy and Lucille Day perfected the light textured delectable recipe that came to be known as the now famous Daylight Donuts recipe for success. Originating in Tulsa, Oklahoma, the Days began their business baking donuts in the morning and selling them out of the trunk of their car in the afternoons. From humble beginnings the business expanded to 200 stores before they sold the company to Jerry and Linda Hull. A love of donuts seems to be a classic desire. From 200 stores and a fleet of delivery trucks, the Hulls expanded its growth and sold it to the Bonds. Through the swings of economic storms, people still turn to the great comfort food of a donut and the current count of Daylight Donuts boasts nearly 1,000 worldwide.

World-renowned donuts may be impressive but Boone’s own 24-hour seven days a week donut shop concerns itself with you and satisfying your cravings. Check them out – and tell them we sent you! Enjoy!!
