Watauga High Athletics Director Tom Wright has announced that Tuesday afternoon's tennis match between WHS and South Caldwell has been rained out.

The match has been rescheduled tentatively for Wednesday afternoon. The WHS women's tennis team is 12-1 overall; 10-0 in league play. WHS wraps up regular-season play Thursday at Hibriten. Watauga's only loss came against Broughton, which is the No.1 ranked team in the state in Class 4a.
