The Watuaga High soccer team has its regular-season finale rained out Wednesday night at St. Stephens. The game has been rescheduled for Thursday night at its regular time.

Playoff selections will be released by no later than next Monday, November 1, and the state playoffs begin Wednesday, November 3. If the Pioneers get the No.1 seed in the Class 4A division of the Northwestern 3A/4A Conference, they would host a first-round game. That opponent could be the No.4 seed from the I-Meck Conference. If they get the No.2 seed, the Pioneers would host a wild-card team.
