Watuaga High Athletic Director Tom Wright has announced that Tuesday night's scheduled basketball game between the Pioneers and Mountain Heritage has been postponed for a second time.

The game was postponed on Monday night and was rescheduled to be played on Tuesday, but a winter weather advisory forced a second postponement. The game will be made up at a later day. The WHS men's and women's teams travel to Asheville to play T.C. Roberson Friday night.

The Pioneers return home to play Ashe County December 14. Our coverage Friday night begins at 6 pm on Oldies 100.7 FM.
